Cautionary Note Regarding Forward-Looking Statements

This communication contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements generally include statements regarding the potential transaction between ICON public limited company, a public limited company in Ireland ("ICON") and PRA Health Sciences, Inc., a Delaware corporation ("PRA"), including any statements regarding the expected timetable for completing the potential transaction, the ability to complete the potential transaction, the expected benefits of the potential transaction (including anticipated synergies, projected financial information and future opportunities) and any other statements regarding ICON's and PRA's future expectations, beliefs, plans, objectives, results of operations, financial condition and cash flows, or future events or performance. These statements are often, but not always, made through the use of words or phrases such as "anticipate," "intend," "plan," "believe," "project," "estimate," "expect," "may," "should," "will" and similar expressions. All such forward-looking statements are based on current expectations of ICON's and PRA's management and therefore involve estimates and assumptions that are subject to risks, uncertainties and other factors that could cause actual results to differ materially from the results expressed in the statements. Key factors that could cause actual results to differ materially from those projected in the forward-looking statements include the ability to obtain the requisite ICON and PRA stockholder approvals; uncertainties as to the timing to consummate the potential transaction; the risk that a condition to closing the potential transaction may not be satisfied; the risk that regulatory approvals are not obtained or are obtained subject to conditions that are not anticipated by the parties; potential litigation relating to the potential transaction that could be instituted against ICON, PRA or their respective directors; the effects of disruption to ICON's or PRA's respective businesses; restrictions during the pendency of the potential transaction that may impact ICON's or PRA's ability to pursue certain business opportunities or strategic transactions; the effect of this communication on ICON's or PRA's stock prices; transaction costs; ICON's ability to achieve the benefits from the proposed transaction; ICON's ability to effectively integrate acquired operations into its own operations; the ability of ICON or PRA to retain and hire key personnel; unknown liabilities; and the diversion of management time on transaction-related issues. Other important factors that could cause actual results to differ materially from those in the forward-looking statements include the effects of industry, market, economic, political or regulatory conditions outside of ICON's or PRA's control (including public health crises, such as pandemics and epidemics); risks regarding PRA's ability to maintain large customer contracts or enter into new contracts; PRA's ability to attract suitable investigators and patients for its clinical trials; PRA's ability to keep pace with rapid technological change; PRA's potential liability if a patient is harmed; and the factors set forth under the heading "Risk Factors" of ICON's Annual Report on Form 20-F and PRA's Annual Report on Form 10-K, and in subsequent filings with the U.S. Securities and Exchange Commission (the "SEC"). These risks, as well as other risks associated with the potential transaction, are more fully discussed in the joint proxy statement/prospectus to be filed with the SEC in connection with the proposed transaction. Other unpredictable or unknown factors not discussed in this communication could also have material adverse effects on forward-looking statements. Neither ICON nor PRA assumes any obligation to update any forward-looking statements, except as required by law. Readers are cautioned not to place undue reliance on these forward-looking statements that speak only as of the date hereof.

No Offer or Solicitation

This communication does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended.

Important Information for Investors and Stockholders

In connection with the potential transaction, ICON expects to file a registration statement on Form F-4 with the SEC containing a preliminary prospectus of ICON that also constitutes a preliminary proxy statement of each of ICON and PRA. After the registration statement is declared effective, each of ICON and PRA will mail a definitive joint proxy statement/prospectus to stockholders of ICON and PRA, respectively. This communication is not a substitute for the joint proxy statement/prospectus or registration statement or for any other document that ICON or PRA may file with the SEC in connection with the potential transaction. INVESTORS AND SECURITY HOLDERS OF ICON AND PRA ARE URGED TO READ THE JOINT PROXY STATEMENT/PROSPECTUS AND OTHER DOCUMENTS THAT ARE FILED OR WILL BE FILED WITH THE SEC, AS WELL AS ANY AMENDMENTS OR SUPPLEMENTS TO THESE DOCUMENTS, CAREFULLY AND IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION. Investors and security holders will be able to obtain free copies of the joint proxy statement/prospectus (when available) and other documents filed with the SEC by ICON or PRA through the website maintained by the SEC at http://www.sec.gov. Copies of the documents filed with the SEC by ICON will be available free of charge on ICON's website at https://www.iconplc.com and copies of the documents filed with the SEC by PRA will be available free of charge on PRA's website at https://www.prahs.com/. COVID-19 Update

ICON continues to closely monitor and assess the evolving pandemic situation. The welfare and safety of ICON's employees, customers and patients remains the Company's highest priority. ICON is taking guidance from global health authorities, such as World Health Organisation (WHO) and Centers for Disease Control and Prevention (CDC), as well as regional health authorities and governments to ensure that ICON protects the safety and welfare of employees and abides by government directives in various jurisdictions.

COVID-19 continues to affect our global business. However, the impact continues to be lower than experienced at the peak in Q2 2020. Where on-site monitoring is not possible we continue to use alternative approaches including remote and risk based monitoring and 'at home' services delivered through our Symphony Clinical Research group.

Since February 2020, ICON has mobilised its vaccine resources to address the COVID-19 global threat, including its ability to conduct home-based trials to minimise infection. The company is currently providing clinical monitoring and safety oversight on more than 120 COVID-19 trials for both the private and government sectors.

Other Information

In addition to the financial measures prepared in accordance with generally accepted accounting principles (GAAP), this press release contains certain non-GAAP financial measures, including non-GAAP operating and net income and non-GAAP diluted earnings per share. While non-GAAP financial measures are not superior to or a substitute for the comparable GAAP measures, ICON believes certain non-GAAP information is useful to investors for historical comparison purposes.

Adjusted earnings per share attributable to the Group (Non-GAAP) has been computed by dividing non-GAAP net income attributable to the Group by the weighted average number of shares outstanding. GAAP earnings per share attributable to the Group has been computed by dividing net income attributable to the Group plus a GAAP charge associated with non-controlling interest in MeDiNova Research ("MeDiNova") by the weighted average number of shares outstanding. ICON purchased a majority shareholding in MeDiNova on May 23, 2019. ICON exercised its call on the outstanding shares in MeDiNova and derecognized the non-controlling interest effective from March 2020.
