## Forward Looking Statement

Certain statements in today's call will be forward looking statements. Actual results may differ materially from those stated or implied by forward looking statements due to risks and uncertainties associated with the company's business and listeners are cautioned that forward looking statements are not guarantees of future performance. The company's filings with the Securities and Exchange Commission discuss the risks and uncertainties associated with the company's business.
This presentation includes selected non-GAAP financial measures. For a presentation of the most directly comparable GAAP financial measures, please refer to the press release statement headed Condensed Consolidated Statements of Operations (US GAAP) (Unaudited). While non-GAAP financial measures are not superior to or a substitute for the comparable GAAP measures, we believe certain non-GAAP information is more useful to investors for historical comparison purposes.
